Yes No

Some birds will scream in loud pitches, continuously. They may just need attention, food or love. They may also have behavioral habits that could be hard to break. How would you handle these situations? _____

Vitamin deficiencies can be hazardous to your bird's health. It is important to provide your bird with a wide variety of foods. What foods would you feed to an exotic bird?

Are you aware of the lifespan of the particular bird you are wishing to adopt?

Yes No

By signing this application, I attest that all questions were answered truthfully to the best of my knowledge. If the Prairie Paws Animal Shelter finds any discrepancies at any time, this could result in the animal's retrieval or cancellation of the application. I hereby acknowledge that the questions and responses in this application are fully incorporated as set forth within the Adoption Agreement and are a part of the contractual agreement I am voluntarily entering into with the Prairie Paws Animal Shelter.
